Dear Sir:

Your application dated October 11, 1941, for appointment as Major, Signal Corps Reserve for assignment to duty with the Air Corps, has been forwarded to this office by the Chief Signal Officer.

Your appointment in the grade of Major was not favorably considered, and since you state you do not desire to accept appointment in the grade of Captain, no further action will be taken on your application.

Your tender of service is appreciated and has been made a matter of official record.

Very truly yours,

Major General,
The Adjutant General.
